

KNOWING **MORE** MATTERS

Do you have COVID-19, RSV, or the Flu?

Often spiking during the winter season, COVID-19, RSV disease and the flu are contagious respiratory illnesses that have many of the same symptoms.¹
Thankfully, a same-day, multiplex PCR test can make it easy to find out what you have and what care you need.

We proudly offer PCR_{plus} here.

Educational campaign brought to you by Cepheid.
